Analysis

LE-003BPSB Crime, Call and Public Disorder Analysis

It is the policy of the Belleville Police Service Board (the Board) with respect to crime, call, and public disorder analysis that:

1. Pursuant to *section 5(2) of Ontario Regulation 392/23 Adequate and Effective Policing (General)* – Police Services shall have crime analysis, call for service analysis and public disorder analysis capacities;
2. Ensure that Member(s) who perform crime, call and public disorder analysis and persons who assist have the competence and experience to perform the functions and have the necessary equipment; and
3. The Chief of Police will:
 - a) Establish systems and maintain written procedures for the collection, collation, analysis and dissemination of crime, call, and public disorder data;
 - b) Ensure that Members who perform crime, call and public disorder analysis, and persons who assist, that they have the competence and experience to perform the functions, and have the necessary equipment;
 - c) Promote the use of crime analysis by Supervisors to identify areas or issues requiring directed patrol, targeted enforcement, problem-oriented or community-based crime prevention initiatives;

- d) Report back to the Board on the criteria and process to be used for sharing relevant crime, call and public disorder analysis with Municipal Council and officials, school boards, community organizations and groups, businesses, and members of the public;
- e) Provide information in the Annual Report on crime, calls for service and public disorder patterns, trends and forecasts based on crime, call and public disorder analysis; and
- f) Pursuant to *section 24(2) of Ontario Regulation 392/23 Adequate and Effective Policing (General)*, crime analysis, call analysis and public disorder analysis data, and information on crime trends is to be published annually on the Internet.
