LE-017 Traffic Management,
Enforcement and Road Safety

LE-017BPSB Traffic Management, Traffic Enforcement and Road Safety

Pursuant to *Ontario Regulation Section 392/23 - Adequate and Effective Policing (General)* it is the policy of the Belleville Police Service Board with respect to traffic management, traffic law enforcement and road safety that:

1. Technical collision investigation, reconstruction and breath analysis investigative supports will be provided by the Members of the Belleville Police Service. Reference *section 16 of Ontario Regulation 395/23 – Investigations*;
2. If required, the Board will ensure that a valid agreement is in place, in compliance with *section 14 of the Community Safety and Policing Act (CSPA)* to have another Board or the Ontario Provincial Police (OPP) if necessary to provide technical assistance when Belleville Police Service encounter serious motor vehicle collisions requiring higher levels of collision investigative expertise.

Based on an assessment and decision by the Chief of Police or designate, if required, a request can be made for technical assistance from the OPP or other Police Service pursuant to a *section 14 Agreement* under the *CSPA*, or the Chief of Police or designate may request temporary assistance in providing adequate and effective policing from another Police Service pursuant to *section 19 of the CSPA – Request for Temporary Assistance*; and

- a) If the Chief of Police or designate makes a request for temporary assistance under *section 19 of the CSPA*, the Chief of Police shall provide notice of the request as soon as possible to,

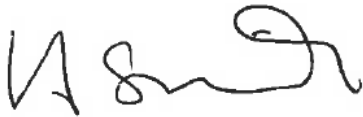

- I. The Inspector General; and
- II. The Board.

3. The Chief of Police will:

- a) Develop and implement a traffic management, traffic law enforcement and road safety plan;
- b) Establish and maintain written procedures on traffic management, traffic law enforcement, traffic patrol and road safety, including procedures to address road closures and minimizing the interference of traffic; and
- c) Ensure that persons who provide technical collision investigation, reconstruction and breath analysis investigative supports have the competence and experience to provide that support.

4. Reporting:

If the Chief of Police or designate makes a request for technical assistance pursuant to a *section 14* Agreement under the *CSPA*, the Chief of Police shall report to the Board providing sufficient information to allow the Board to understand the details of the event.
